## News & Features

4/09/2008

The new campaign for client Travelers via Fallon is easy to spot! The latest ad, entitled [Delivery](#), features a Magritte-like gentlemen who travels the countryside with his very large umbrella, assisting people in time of need. Directed by [MJZ](#) helmer [Rupert Sanders](#), other MJZ talent included EP [Eric Stern](#) and line producers [Laurie Boccaccio](#) & [Katie Smith](#). Editorial was handled by [Spot Welders](#) cutter Bill Smedley while mixer [Tom Jucarone](#) weighed in for [Sound Lounge](#), colorist [Sean Coleman](#) for [Company 3](#), and a slew of talented VFX artists from [MassMarket](#).
